

2024-2025

Question of the Year and Session Themes

Learning at Acton follows the narrative arc of any heroic story. Just like a rocket blasting off on its journey and returning to earth, each year and session have a storyline with a rise and fall of energy and a return home to reflect.

START OF YEAR

END OF YEAR

When does a hero submit to authority?

1. Build the Tribe

What tools and systems will equip us for a great year together?

2. Entrepreneurship

Is the most powerful part of starting a business something you love to do + a problem or need you see in the world?

3. Acton Athens

What will you find as you travel back in time to the roots of Western Civilization?

4. Coding and Robotics

How do programming concepts such as loops, conditionals, and variables apply to real world scenarios?

5. Community Gardening

What does it take to grow food?

6. Detective Science

How can you apply forensics and biology to solve crimes?

7. Finish Strong

How will we reflect on the year and finish strong?
